

Acting Chief, Economic Research Area

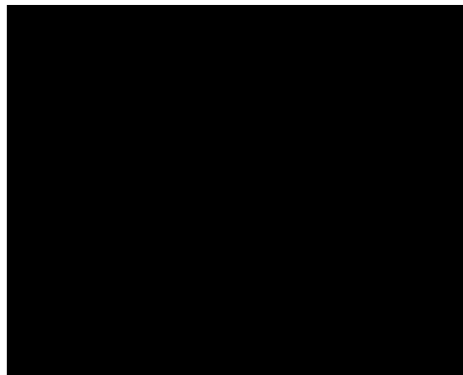

14 November 1958

Acting Chief, Services Division

Request for Agency-sponsored Travel of Services Division Personnel
to the Seventy-first Annual Meeting of the American Economic
Association, Chicago, Illinois, 27 - 29 December 1958

1. It is requested that the following Services Division
personnel be authorized official travel to attend the Seventy-first
Annual Meeting of the American Economic Association, Chicago, Illinois,
27 - 29 December 1958:

25X1A9a

2. The Services Division travel budget for Fiscal Year 1959
includes eleven trips to the AEA convention at Chicago and authori-
zation for this number is requested. Because of a predominance of
sessions on Soviet Bloc and international economics, it has been
concluded that the personnel listed for attendance will derive a
good deal of benefit from the papers and discussions.

3. Because the convention falls primarily on a weekend, the
problem of adequate staffing of the Division in the absence of these
people is not a serious one. In any event if it were deemed necessary,
selected individuals could return to Washington on Sunday evening
and thus not miss any working days.
